**Weintraub Telecomm Ranks #20 Among Philadelphia's
Top 100 fastest Growing Companies**

KING OF PRUSSIA, PA, April 6, 2007 – At the 2006 Philadelphia 100® Awards Ceremony, Weintraub Telecomm was ranked 20th among the top 100 fastest growing privately-owned companies in the greater Philadelphia region by the Wharton Small Business Development Center, the Entrepreneurs' Forum of Greater Philadelphia and the Philadelphia Business Journal.

Weintraub Telecomm, a full-service broadband engineering firm, earned its rank by achieving a high growth in revenue during the 2003-2005 fiscal periods. Among its many accomplishments, the company has completed VOD and VoIP upgrades for headends across the nation; improved more than 7,000 plant miles by performing node segmentation, node reduction and re-powering services; and conducted operations analysis studies and strategic planning for several prominent cable manufacturers.

“Perseverance, Quality and Excellence in Service Delivery are the keys to our continuing growth,” attested company president, Bruce Weintraub. “The ever-growing staff at Weintraub Telecomm consistently shows a passion for their work, their training, and their desire to provide the best solution from a technological and operational aspect to our customers. While we appreciate the recognition of our ranking in the Philadelphia 100®, we owe our growth to the dedication of our employees, and the continuing trust of our customers nationwide. “
