

Stephen Skoufalos Joins WeiTel as Account Executive

October 3, 2007, King of Prussia, PA – WeiTel, a leading nationwide provider of design-and-build services for the cable TV, wireless and telecommunications industries, announces the appointment of Stephen Skoufalos to account executive.

At WeiTel, Skoufalos' responsibilities will be to represent WeiTel in the development of new account relationships as well as broadening existing relationships across North America.

"Steve Skoufalos is a proven sales and business professional, with an in-depth knowledge of our markets. In representing our company, he will bring a strong customer focus and add significant value to our clients based on his customer orientation and industry experience. We are delighted that Steve has joined our team," commented Bill Beaumont, Senior Vice President, Business Development.

Skoufalos joins WeiTel from Thomas & Betts, Inc., in Memphis, TN, where he most recently served as director of marketing, CATV and security markets. He previously served as National Sales Manager for Tollgrade Communications, Inc., in Cheswick, PA. He has also held sales and management positions with Tektronix, Inc., in Blue Bell, PA, Supply Performance Testers, Inc., in New Holland, PA, and Alpha Technologies, in Bellingham, WA.

About WeiTel

Weintraub Telecomm, LLC (WeiTel) designs, deploys and manages voice, video and data networks for cable television operators, telecommunications providers, wireless operators and selected commercial customers. In addition, it provides customer support services for original equipment manufacturers (OEMs) selling products in those markets. Headquartered in King of Prussia, Pennsylvania, the company is one of the Philadelphia 100[®] fastest growing privately held businesses and appears on the Inc 5,000 list at number 816.
